Hunt Permit Applications for Spring 2005 hunts can be submitted online at the Arizona Game and Fish Department Web site at [azgfd.com](http://azgfd.com). In addition, paper applications can be submitted by mail or at any Department office. Deadline to submit all applications is October 12, 2004 at 7 p.m. (MST)

**HUNT PERMITS:** Spring hunt permit-tags may be obtained only through application and drawing procedures prescribed in R12-4-104 or R12-4-114.

You must obtain a 2005 license in order to participate in the draw. If you are not licensed at the time you submit your hunt application form, you must apply for a license and include payment at the time you submit your paper hunt application form.

If you are drawn for more than one genus, only one license will be issued in your name. If you request a license only if successful in the draw and you are not drawn, you will not be issued a license, you will NOT participate in the bonus point program, and your fees will be refunded minus the \$5.00 Application Fee.

If you wish to purchase a license *even if you are not drawn*, be sure to check the box "**Issue me a license even if not drawn**" on the hunt application form. By checking this box, you will be eligible to participate in the bonus point program for buffalo; and you will be issued a license even if you are not drawn.

Enter your Social Security Number or Department I.D. Number (formerly called Sportsman I.D.) on the hunt application form. This is your permanent number and is to be used on all hunt applications. It may be preferable to use your Social Security Number so that you can remember it from year to year. Your S.S./I.D. Number is vital to track your bonus points and to ensure that you receive the proper credits. Using a different number may result in your not receiving proper bonus points credits. An I.D. Number may be obtained by calling the Department or assigned automatically during an online application session by leaving that field blank.

**You must sign the application.**

**Each application must include appropriate payment.**

Each payment enclosed with a paper hunt permit-tag application shall be made by certified check, cashier's check, money order, or personal check or draft in U.S. currency only, payable to the Arizona Game and Fish Department. Cash will not be accepted. One personal check or money order can cover all required fees for the application.

The Department will notify you of errors in your application, only if the application is received in Department offices by 5 p.m. (MST) on Oct. 1, 2004. If you wish to participate in this service, please list a telephone number where you can be reached. You are not required to enter your telephone number.

**LICENSE AND PERMIT REQUIREMENTS:** Class F or G license plus Spring Buffalo hunt permit-tag obtained only through application and drawing procedures as prescribed in R12-4-104 and R12-4-114. Applicants must apply by Hunt Number.

### Notes:

- A hunter with a buffalo hunt permit-tag for the Raymond Wildlife Area herd shall be accompanied by an authorized Department employee who shall designate the animal to be harvested and shall hunt in the order scheduled by the Department in accordance with R12-4-306.
  - An unsuccessful hunter with a buffalo hunt permit-tag for the House Rock Wildlife Area herd shall check out in person or by telephone at either the Department's Flagstaff regional office or the House Rock Wildlife Area headquarters within three days following the close of the season. A successful buffalo hunter shall report information about the kill to the Department within five business days after taking the buffalo either in person at the House Rock Wildlife Area headquarters or in person or by telephone at the Department's Flagstaff regional office. If the kill is reported by telephone, the report shall include the name of the hunter, the hunter's tag number, the sex of the buffalo taken, the number of days hunted, and a telephone number where the hunter can be reached for additional information.
  - The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting.
- BUFFALO BAG LIMIT:** One (1) buffalo in a lifetime except as prescribed in R12-4-120.
- HOUSE ROCK BUFFALO HUNT SPECIAL NOTE:** During the fall and spring hunts at the House Rock Wildlife Area (HRWA), a significant portion of the herd has in the past moved to the Grand Canyon National Park where hunting is not allowed. Hunters are advised that if this occurs, their ability to successfully harvest a buffalo may be significantly impacted. As with any hunt, circumstances beyond the control of the Arizona Game and Fish Department may prevent the permit holder from being successful. The Arizona Game and Fish Department and Commission disclaims any responsibility to reissue or replace a permit, to reinstate bonus points, to refund any fees, or to provide any other form of relief.
- The HRWA buffalo hunt is considered to be one of the most difficult

hunts in the state. Buffalo can be difficult to locate. Plan on spending the entire season hunting, as an abbreviated hunt will lower your chances of success. Buffalo hunters must dress and care for their own animals; the Department will not assist. Take time to improve your physical condition. Hunters are often required to walk considerable distances (up to 8 miles) every day over rugged terrain. House Rock hunters should be prepared for remote and primitive conditions.

High clearance or four-wheel drive vehicles are recommended. Some portions of HRWA are included in the U.S. Forest Service wilderness system that does not preclude hunter access but does limit their means of transportation and equipment usage. For more information, call the Flagstaff Regional Office at 928-774-5045.

**SPECIAL BUFFALO REGULATIONS:** Buffalo meat taken under this Order may be sold as prescribed in R12-4-305. See buffalo hunt regulations under R12-4-306.
